We will be holding a pre-conference training at CF.Objective 2009 (<http://cfobjective.com/precon.cfm>) for ColdBox.

Below you can find information about the course and how to register. Don't miss the opportunity to learn all there is not know about ColdBox!

What is CBOX-100? Intro to ColdBox is an intense 1-day training course that will get you started with ColdBox Application Development. This course focuses

on the main aspects of ColdBox Development and it delivers a one-two punch to get you started.
